

NU HOSPITALS

NU HOSPITALS
Urinary & Kidney Care - Transplant Center

ABOUT US

NU Hospitals are one of South India's leading nephro-urology super speciality hospitals and Karnataka's first dedicated nephro-urology center. NU Hospitals was started in July 1999 as a super specialty hospital for nephro-urology care. NU Hospitals is one of South India's leading nephro-urology hospitals and Karnataka's first dedicated nephro-urology center.

NU Hospitals is now NABH (National Accreditation Board of Hospitals & Healthcare Providers) & **NABL** (National Accreditation Board for Testing and Calibration Laboratories) accredited.

NU Hospitals is the first stand-alone Nephro Urology hospital in India to achieve this dual distinction.

DEDICATED NEPHRO UROLOGY HOSPITAL:

We are not only one of the leading nephro-urology hospitals in South India but we are also the only dedicated nephro-urology center in Karnataka. All this has resulted in us gaining a unique perspective on nephro-urology medicine. It has provided us with a wealth of experience, knowledge and expertise in providing quality nephro-urology care

Many of our professionals have been a part of Karnataka's first nephro-urology center, for more than 20 years. A large number of our medical professionals have worked in the field of nephro-urology for over two decades, continuously keeping pace with advances in a field that is progressing rapidly.

All this has resulted in us gaining a high level of experience, knowledge and expertise in providing quality nephro-urology care - quality care that is further ensured through our strengths, which include our experienced professionals, state-of-the-art technology, strict adherence to quality protocols at all levels, and cutting-edge research, just to name a few. This, in turn, nurtures an excellent quality of life, so fulfilling our promise to you of 'Making Life Meaningful'.

A hospital is a health care institution providing patient treatment with specialized staff and equipment. Hospitals and nursing colleges are two sides of a coin where both are interrelated.

Own Hospitals are integral part of a paramedical college where lab is the only profession with global demand has a direct involvement in clients care in the hospital settings.
